### Bio-Introduction

**Constant Hine, M.A.** Early Childhood Consultant, Adult Educator, Coach

*Founder and President of Horizons In Learning*

*Constant Hine is a nationally recognized dynamic, motivational and inspirational speaker, coach, adult educator, consultant and author. Constant Hine has over 30 years experience in the field as a classroom teacher, adult educator, coach, consultant and author of several books. She has an MA in Teaching/ECE from Nova University in Ft. Lauderdale, FL. Constant currently lives in Denver, CO.*

### **Services for Individuals • Teams • Organizations**

*Constant specializes in transformational learning and leadership that engages learners and professionals to make lasting, deep and sustainable changes, to promote respectful relationships and to communicate with authenticity. Since 1988 Horizons In Learning, Inc. has offered services and products that promote sustainable change to early childhood professionals, teachers, care-givers, leaders, coaches and agents of change throughout North America. She also helps develop organizational delivery systems that embody and model intentional and respectful services and work environments.*

*Since 1992, Constant has taught the Framework For Thinking Model and Coaching For Success Program to help agents of change, coaches, leaders help others to overcome barriers and challenges and achieve goals by using a strength-based approach. She also offers 2 new products that are resource libraries for self-paced learning or group learning communities for coaches and change agents of change. The first is a 12 hour/10 module Coaching For Success Webinar Learning Series and the second is Busting Barriers Through Intentional Coaching Webinar Series. She also works with adult educators and classroom teachers to be able to use meaningful engaging learning strategies to honor the individual and unique needs of adults and children.*

*She has authored several books: Coaching For Success, Engaging Adult Learners Using Multiple Intelligences DVD Toolkit, Preparing Powerful Presentations: Engaging Adult Learners, Engaging Young Learners: The Teacher's Role In An Early Childhood Classroom, Transform Stress: Creating Ease In A Day's Work Sign Book.*
