

Resources on Bias, Race and Equity

Devereux did a great webinar on Racism in ECE check out their website at www.centerforresilientchildren.org

My colleague Eva Jo Meyers offers great trainings and has a neat product to foster reflection on Racism “Practices for Dismantling Racism” <https://www.spark-decks.com/products/page/2/> - excellent for use with teams

Early Childhood Investigations offers lots of free webinars and many are on race, racism, equity etc. Please check out the complete schedule of upcoming webinars at: <http://www.ECEWebinars.com>

Here is a variety of resources and sites

Culturally Responsive Resources: Reading List

Engaging children in a conversation about race and diversity can be difficult. For many, we don't know where to start. However, using books is an easy and effective way to engage children in a healthy conversation about race, diversity, and cultural differences. The book can serve as an entryway to begin the conversation. When choosing culturally relevant children's books, be mindful of stereotypical characters. Choose books that offer a well-rounded perspective of diversity and children can see themselves in the story.
